The screenshot shows a web browser window displaying the GitHub repository page for `mnbikerchick/CourseProjectCIS-261`. The repository is marked as Private. The page includes navigation links for Code, Issues, Pull requests, Actions, Projects, Security, Insights, and Settings. The repository has 1 branch and 0 tags. A commit history table is visible, showing a commit by `kystroyer` 261 weeks ago. The commit details table lists several files added, including `.gitattributes`, `.gitignore`, `CourseProjectCIS 261.pyproj`, `CourseProjectCIS 261.sln`, `CourseProjectCIS_261.py`, and `week 3 course project.py`. The right sidebar shows the repository's About section, which is currently empty, and the Releases and Packages sections, both indicating no published content. A Windows taskbar is visible at the bottom of the screen.
